November 8, 2026

Beloved brothers and sisters in Christ,

With much joy and paternal affection, I greet all who have gathered for the annual Name Day Gala of St. Michael's Home. Each year, this blessed occasion brings us together not only to celebrate an institution beloved by our Archdiocese, but also to renew a sacred promise: that those who have given so much of themselves to their families, their Church, and their communities will themselves be surrounded by love, dignity, and care in the years when they need us most.

There is something profoundly sacred about this ministry. Our elders carry within them the memories of families and parishes, the sacrifices of generations, prayers whispered through years of joy and sorrow, and a wisdom acquired only through a lifetime of faithfulness. To care for them, therefore, is not simply to provide for their needs. It is to honor the lives they have lived and to recognize in each of them the precious and inviolable image of God.

Since 1958, St. Michael's Home has embodied this calling of the Church. Within its walls, the word *home* has meant far more than a place of residence. It has meant companionship in moments of loneliness, reassurance in moments of uncertainty, prayer in moments of difficulty, and the quiet assurance that no person entrusted to our care will ever be forgotten.

Today, however, our gratitude for the past must also be joined to a renewed sense of responsibility for the future. The new St. Michael's Home represents far more than a building project. It is a promise made to our elders and to the generations of families who will one day entrust their loved ones to its care.

For this reason, bringing this new facility to completion must remain among our most pressing priorities. The need for this ministry is not something belonging to a distant future; it is already before us. There are elders and families who need what the new St. Michael's Home will be able to provide, and there will be many more in the years ahead. The time has come for all of us who cherish this ministry to renew our commitment, to join our strength and generosity, and to carry this worthy undertaking across the threshold of completion.

Great works of love require perseverance. They ask us not only to begin with enthusiasm, but to remain faithful until the vision entrusted to us becomes a reality. We have come too far, and the need is too important, for us to lose sight of the sacred purpose before us. Together, with faith in God and confidence in one another, we can complete this home and open its doors to those for whom it is being prepared.

This year's Gala, therefore, is more than a celebration of all that St. Michael's Home has accomplished. It is a call to look forward with renewed determination.

On this joyful occasion, I extend my heartfelt congratulations to the Panchiaki Korais Society, recipient of the 2026 Archangel Michael's Award. May this well-deserved recognition be shared by your entire membership and may your example inspire an ever-deeper spirit of philanthropy and service throughout our community.

Through the intercessions of the Holy Archangel Michael, may our Lord protect and strengthen the beloved residents of St. Michael's Home, bless those who care for them, and inspire all of us to bring this sacred undertaking to its long-awaited fulfillment. May the new St. Michael's Home soon open its doors as a place where our elders are embraced with gratitude, surrounded by dignity, and reminded each day that they remain forever cherished within the embrace of the Church.

With much paternal love in Christ,

Dearly Beloved,

It has been my privilege and blessing to serve as Director of this elder care facility of our Archdiocese for over 3 decades. Over these years, I have witnessed its incredible transformation and am eternally grateful to all those who played a part in this on-going process. This annual Name Day Gala is an opportunity to celebrate these accomplishments and is also the source of critically needed funds to ensure quality care for our beloved residents. Early on in my tenure, it became increasingly apparent that if the Home was truly going to fulfill its mission, we had to expand, not only its accommodations, but more importantly, the levels of licensed care it offers.

At long last, this critical expansion is very close to its realization! With the loan from Dime Commercial Bank, the resources are now available to complete the construction. This will herald an exciting new chapter in the life of the institution. Barring any unforeseen issues, the construction should be completed by the Fall of 2027. Contingent on the approvals of the local building department and of the NYS Department of Health, the "new and dramatically enhanced" St. Michaels's should be able to welcome its first residents the end of 2027, the very start of 2028 at the latest. When finally opened, I am confident that the prolonged delays and increased inflationary costs will be quickly forgotten and overshadowed by the new magnificent state-of-the-art continuum care facility, which will ensure the future of St. Michael's and more importantly, appropriately meet the ever-increasing numbers and needs of our elderly.

With blessings from above and the on-going generosity of individuals like this evening's most worthy honoree, The Panchiaki Korais Society, whose endeavors exemplify what the *Archangel Michael Award* represents, St. Michael's will continue its sacred mission for many years to come. We are eternally appreciative to all who make it possible and be assured of our continued thoughts and prayers. A joyous and blessed Thanksgiving and Christmas Season and a New Year to all the steadfast friends of the Home. May ***the Grace of our Lord and Savior Jesus Christ be with you all!***

Faithfully in His service,

Dear Friends and Family,

On behalf of the Board of Trustees, it is my absolute pleasure to welcome all of you this evening as we gather to celebrate the Name Day of our beloved St. Michael's. For more than 69 years, the Home has offered exceptional care and a warm, nurturing environment for our Greek Orthodox elderly.

Serving as President of the Board of Trustees, I am privileged to work alongside our committed Board members and hardworking staff, as well as His Grace Bishop Andonios, who has served as our guiding light for over 30 years. Together, this dedicated team ensures that St. Michael's Home remains the true jewel of our Archdiocese.

Our annual Gala serves as a wonderful celebration of this vital institution and an essential opportunity to generate financial support. These funds sustain the daily operations of our current Home and advance the construction of the new, magnificent St. Michael's Home in Uniondale, Long Island. Construction is already over 80 percent complete, and we anticipate opening the new Home in 2027.

An event of this scale is possible only through the dedication of many individuals. I wish to express my sincere gratitude to this evening's Gala Committee, our Co-Chairs Lily Katos and John Stratakis, and our esteemed honorees, The Panchiaki "Korais" Society and its members. I also extend heartfelt thanks to all of our generous donors and journal sponsors, whose steadfast support empowers this great institution to fulfill its mission.

Thank you once again for your presence and unwavering support as we celebrate another remarkable year for St. Michael's. Please enjoy the Gala!

Sincerely,

The Synaxis of the Angelic - Leaders Michael & Gabriel and all the Bodiless Powers

On November 8th St. Michaels Home celebrates its Name Day since it is the date our Church celebrates the Synaxis (Gathering) of the Angelic-Leaders Michael and Gabriel and all the Bodiless Powers. The facility bears the name of Archangel Michael while the chapel is dedicated to the "Taxiarchai" (another name for the Archangels). In the 4th Century A.D., Pope Sylvester and Patriarch Alexander established that there are 9 orders (ranks/categories) of Bodiless Powers: Archangels; Six-Winged Seraphim; Many-Eyed Cherubim; Thrones; Dominions; Virtues/Authorities; Powers; Principalities and Angels, each group with its own particular function and task. It was decided to designate a Feast Day in their honor and in accordance with the 9 orders of Bodiless-Powers, November was selected as it was the 9th month on the calendar during the early days of the Roman Empire. The 8th day was selected in conjunction with the Last Judgment of God which the holy Fathers called the 8th day since in the final age, when the 7 days of creation have elapsed, will come the 8th day and then "shall come the Son of Man in His glory and all the holy angels together with Him". (Matthew 25:31)

There are 9 known Archangels, each of whose name has special meaning: Michael - "who is like God; Gabriel – "the power of God"; Raphael – "the healer"; Uriel – "light of God; Salathiel – "one who prays to God; Jequdiel – "one who glorifies God"; Barachiel – "the blessing of God"; and Jeremiel – "salvation of God". As a doxology but also of prayer we fervently offer the Apolytikion/Hymn of the Archangels.

THE LEADERS OF THE HEAVENLY ARMIES,
WE IMPLORE THOUGH BEING UNWORTHY,
THAT WITH YOUR PRAYERS YOU FORTIFY US
UNDER THE SHELTER OF YOUR WINGS,
OF YOUR SPIRITUAL GLORY, GUARDING US AS
WE BOW BEFORE YOU AND INCESSANTLY CRY:
SAVE US ALL FROM DANGER, AS THE COMMANDERS
OF THE HEAVENLY POWERS

THE PANCHIAKI KORAIS SOCIETY

Founded in 1912, the Panchiaki Korais Society has served for more than a century as a vital link between the island of Chios and the Greek-American community. Established by Chian immigrants who sought to support one another while preserving their heritage in their new homeland, the Society has grown into one of the most enduring and active organizations of the Greek diaspora. Founded and headquartered in New York, it now includes members throughout the United States.

The Society proudly bears the name of Adamantios Korais, the distinguished scholar and intellectual of Chian descent whose writings helped inspire the Greek struggle for independence. Korais believed deeply in the transformative power of education and in the responsibility of each generation to enlighten and strengthen the next. Those ideals remain at the heart of the Society's mission today.

Throughout its history, the Panchiaki Korais Society has worked to preserve and promote the language, culture, traditions, and history of Chios while fostering fellowship among Chians and the broader Hellenic community. Its members have maintained a lasting commitment to education, philanthropy, healthcare, youth development, cultural preservation, and humanitarian service in both the United States and Greece.

Education has always occupied a special place in the Society's work. For many decades, the organization has supported Greek-language and parochial schools, educational institutions, students, and cultural programs. Its revitalized Educational Scholarship Program has awarded more than $148,000 to 98 deserving students, helping young people pursue their academic goals while strengthening their connection to their heritage and community.

The scholarship program includes the James Pantelidis Memorial Scholarship and the Aristotle Mirones, Sr. Memorial Scholarship, together with other named and special awards made possible through the generosity of Society members and benefactors. The Society also provides annual scholarships to the University of the Aegean in Chios and the Center for Byzantine and Modern Greek Studies at Queens College, extending its educational mission across generations and across the Atlantic.

The Society's philanthropic work reaches far beyond scholarships. Over the years, it has provided substantial assistance to charitable, educational, cultural, and healthcare institutions in Chios and throughout the Greek-American community. Recent initiatives have supported the Zorzis G. Mihalinos Nursing Home, Chios Hospital, the AMEA "Gefyra" Center serving individuals with disabilities, the Chios Philharmonic Music Academy, the Managros Scout Camp, the historic Korais Library, Greek-language programs, and numerous churches and community organizations.

During the Society's 2025–2026 fiscal year alone, it awarded more than $137,000 in grants, charitable contributions, and educational scholarships. These efforts reflect not only financial generosity but also the Society's determination to form meaningful and lasting partnerships with the organizations it supports. Members regularly visit beneficiary institutions in Chios, meet those being served, and help bring wider attention to their needs and accomplishments.

The Panchiaki Korais Society also provides opportunities for fellowship and cultural engagement through commemorations, lectures, social gatherings, family events, and its annual Chios Legacy Gala. The use of "Legacy" reflects the Society's commitment to honoring its history and forebears while ensuring that their values, traditions, and devotion to Chios are carried forward by future generations. Among its most cherished traditions is the annual commemoration of the Liberation of Chios, honoring the sacrifices that restored the island to Greece in 1912, the same year in which the Society was founded.

Recognizing that the future of every organization depends upon the engagement of younger generations, the Society continues to expand its youth and young-adult programming. Its Miss Chios Legacy Ambassador Program embodies the same commitment to preserving the past while preparing a new generation to lead and serve. Through the program, Miss Chios and the Chios Legacy Ambassadors represent the Society while promoting cultural pride, leadership, philanthropy, and humanitarian service.

The Society's work is sustained by generations of dedicated volunteers. Its officers, trustees, members, benefactors, and supporters freely contribute their time, talents, and resources in service to its mission. Their commitment has allowed the organization to remain responsive to changing needs while holding firmly to the principles upon which it was founded.

In 2025, the Municipality of Chios presented the Panchiaki Korais Society with an Honorary Distinction recognizing its longstanding commitment to preserving Greek language, culture, and heritage within the diaspora. That recognition affirmed the deep and enduring bond among the Society, the island of Chios, and Chians throughout the world.

St. Michael's Home holds a dear place in the hearts of the members of the Panchiaki Korais Society and its Ladies Auxiliary, the St. Markella Society. In addition to providing financial support over the years, members have visited the Home to offer their support and share fellowship with its residents and staff. This longstanding relationship reflects a mutual devotion to compassion, dignity, and service.

The Panchiaki Korais Society is deeply humbled to receive the Archangel Michael Award from St. Michael's Home. The honor is especially meaningful because of the values shared by the two organizations: respect for the dignity of every person, care for the elderly and vulnerable, faith expressed through service, and a commitment to preserving the heritage that binds generations together.

Now, 114 years after its founding, the Panchiaki Korais Society continues to honor the vision of those who came before it, not merely by preserving their legacy, but by putting it into practice. Through education, philanthropy, cultural stewardship, and fellowship, the Society remains devoted to strengthening the Greek-American community, serving the people and institutions of Chios, and inspiring future generations to carry forward a proud tradition of faith, heritage, and service.

BUILDING FOR THE FUTURE

Update on the Relocation & Expansion of St. Michael's Home

After a prolonged and exhaustive year-long application process, a loan from Dime Commercial Bank was secured on September 24th and funds are now available to complete the new facility. Work has been dramatically accelerated and barring any unforeseen issues, it is expected that construction will be completed by the Fall of 2027. Once the Building Dept. of Hempstead, as well as the New York State Dept. of Health "sign-off" on the building, St. Michael's can open its doors and welcome its new residents before the end of 2027 or right after the new year!

According to the Census Bureau, **the number of elderly 65 years and older in 2020 was close to 60,000,000 and represents the fastest growing segment of the population, expected to almost double in size the next 25 years.** The US Dept. of Health projects that 70% of people 65 years & older will need long-term care. That percentage increases exponentially with age. As more and more people live longer, their needs due to diminished health and mobility and/or cognitive acuity will dramatically increase the demand for facilities such as the new St. Michael's.

Once opened, the Home will be able to accommodate approximately 150 residents (versus the 60 at the Yonkers location) and will offer progressively higher levels of licensed care (versus the single license now). Several of those licenses, including the approval of 33 Medicare/Medicaid beds, have already been secured. Included in the Uniondale facility are independent-living one-bedroom & studio apartments; studio bedroom units for independent and progressive levels of licensed assisted living as well as a secure Memory Care Wing for Alzheimer's and dementia residents. Also, there is a Chapel, physical therapy room, computer & movie lounges, taverna, beauty salon, kaffenion and so many other spaces and amenities expected and needed in this day and age, to provide an attractive, enjoyable and nurturing environment.

No doubt, St. Michael's will offer an environment unrivaled in other similar facilities, where residents will be able to enjoy the religious, cultural and emotional support they need at this point in their lives.

While a loan has been secured, fund-raising continues, not only as requirements of the loan mandate certain conditions be met, but also the less borrowed on the loan, the less which will have to be repaid. **Moreover, the Home is looking to establish an Endowment Fund to assure the quality care for which St. Michael's has earned a stellar reputation but also to be able to subsidize those elderly, living on a limited pension, and who may not be able to afford boarding fees.**

Heartfelt appreciation is conveyed to all those who have contributed to the Capital Campaign and invite those who have not yet participated in it, to do so ASAP. There are a number of ways in which to be a part of this exciting endeavor which will impact the lives of countless elderly. Besides making a monetary donation, one can donate **securities/mutual funds**, which have increased in value and thus avoid capital gain taxes while earning a charitable donation credit. This is especially advantageous as the stock market continues to reach new heights. Other potential donors, who cannot make major cash contributions, can opt to gift other types of assets, including art, real estate and life insurance policies.

Besides any personal financial benefits, taking advantage of any of the above enables the donor to participate in a noble undertaking and feel a deep sense of personal satisfaction he/she played a part in such an awesome and sacred ministry.

Discuss any of the above with your financial consultant/ accountant to determine the best option and consider donating BEFORE THE END OF THE YEAR to receive a CHARITABLE TAX-DEDUCTION FOR 2026.

The Panchiaki Korais Society is deeply honored to be recognized by St. Michael's Home, an institution whose unwavering commitment to compassion, dignity, and care for our elderly reflects the values our Society has embraced for more than a century.

Since our founding in 1912, we have remained dedicated to preserving our Hellenic heritage, supporting our communities, and carrying forward a tradition of philanthropy and service.

We proudly share this honor with the generations of members, past and present, whose generosity and dedication have shaped our Society's enduring legacy.

Our heartfelt gratitude to St. Michael's Home for this meaningful recognition.

May St. Michael's Home continue to flourish and inspire future generations through its extraordinary mission of love and service.

With gratitude and best wishes,

The Officers, Board of Directors, and Members

Panchiaki Korais Society

Founded 1912

We extend our congratulations to

The Panchiaki Korais Society

for being this year's St. Michael's honoree.
