STAVROS NIARCHOS FOUNDATION

As previously announced, St. Michael's expansion project was awarded a magnanimous grant of \$15,000,000 by the Niarchos Foundation (SNF) for which the Home is eternally grateful. At this time, we share the "good news" that the first installment of \$5,000,000 was received this month enabling the construction work to be dramatically accelerated. To qualify for this payment, we have had to complete 29% of the project (currently it is 31% complete) and secured a construction loan which will be available if needed to complete the construction. According to the grant letter, to receive the second installment of \$5,000,000 (sometime in/after October) construction must be 43% complete (we expect that it will be higher than that by then) and we have collected the overwhelming majority if not all outstanding pledge installments. Moreover, fund-raising efforts must continue to assure the availability of resources so that the project is completed in a timely fashion.

ARCHANGEL MICHAEL MOSAIC

Adorning the façade of the new facility will be a magnificent mosaic icon of the Archangel Michael. Thanks to the magnanimous generosity of the Trustees of the Kallinikeion Foundation, work has commenced on this 12' x 13' mosaic at the studio of Mellini Art Glass & Mosaics in Milan, Italy. We look forward to its installation some time in mid-2023.

CAPITAL CAMPAIGN

To ensure we meet the stipulations of the grant **BUT** above all, that the project is indeed completed in a timely fashion, we **NEED** those who have not yet participated in the Capital Campaign to do so as soon as possible. Visit the

expansion website to see the LEVELS OF GIVING categories and remaining NAMING OPPORTUNITIES. To see updates and various ways to participate in this project, visit <https://www.stmichaelshomeuniondale.org>. Please feel free to contact the Development Office (development@stmichaelshome.org) if you have any questions or need to discuss making a donation, which can be paid over the next 2 years.

All who participate in the completion of this magnificent state-of-the-art continuum care facility will feel a deep sense of contentment and pride when it opens its doors in 2024.

All contributions to St. Michael's are deductible to the extent provided by the law as the Home is a tax exempt organization under section 501(c) (3) of the Internal Revenue Code.
